

I LOVE MY MOM

illustrated by
Nivong Sengsakoun

This is my mom.

She works hard all the time. I learn how to do things from her.

My mom is a
great cook.

She shows me
how to cook our
lunch.

My mom loves to take care of plants. She shows me how to keep them nice.

My mom washes all of
our clothes. She tells me
how to make them clean.

I can dry the clothes now,
too. Mom looks proud.

My mom shows me
how to ride a bike.

I am scared at first,
but she helps me.

'Look, Mom! I can ride!

Let me show you!

Mom looks proud.

Mom reads me a
book. It has a town
full of animals.

I love that book!

I can make my bed now.

Mom looks proud.

An illustration of a mother with brown hair in a bun, wearing a red sleeveless top, tucking her daughter into bed. The daughter is wearing a pink shirt and has a blue teddy bear with a purple party hat next to her. The room is dimly lit with a purple glow and white sparkles, suggesting a night scene. A window in the background shows a night sky with stars and a moon.

It is now time for bed.

'Thank you, Mom,' I say,
'I love you.'

She is the best mom in
the world!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
