

THE GOOD LAMP

illustrated by
Alina Aphayvanh

Cam lives in a
hut far from
the town.

He has a little lamp.

He took it to catch a
frog.

It is dark, but
thanks to the
little lamp, Cam
can still read his
book.

When it is time
for bed, Cam
blows out the
lamp.

He sleeps well.

He thinks his
little lamp is so
good.

Then, one day
electric lamps
are put in on
the street.

They make the
room seem like it
is day time.

So Cam does
not need use
the little lamp.

It sits on the
floor with no
flame.

The little lamp
is so sad.

It thinks it is
not a good
lamp now.

But, a big
storm comes
and hits the
electric lamp.

The electric
lamps go out.

Cam finds the
little lamp in
the dark and
gives it a new
flame.

The little lamp
is still good.

It is dark, but
Cam can still
read his book.

Thank you
good little
lamp!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
