

Leg It!

This rooster lives on a farm.
He spots a mouse to his
side. If he chases the
mouse, he might be able to
catch it.

He misses the mouse!

The mouse has jumped into a haystack. The rooster is not going to find it in all of that hay.

The dog legs it. He runs at great speed. The rooster is running so fast that it loses some feathers from its tail.

The dog lands on the hen pen!
The hens are not pleased.
They heard a crack. The farmer
will have to come and fix their
roof.

The rooster sees that the dog has landed on the hen pen. He legs it. When the dog turns, he sees that the rooster is far off.

The rooster has made it back to his patch of hay. He needs to take a rest. The mouse sneaks up. The perfect time to steal some corn...

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.

Adapted from "Rooster is Fast" by World Wide Title and Dream Chen. Licensed under **CC BY 4.0**.

The text has been rewritten to cater to readers at varying stages of their reading proficiency, aiding in the development of their reading skills. Illustrations have been modified to comply with the specific prerequisites set by the reading levels. This adaptation has not received official approval from the original author or illustrator.
