

NO ONE LIKE ME

illustrated by
Jess Jardim-Wedepohl

I sometimes
wonder if there
is any one just
like me.

I wonder if there
is anyone else
that looks
identical?

Is there someone
who has the same
body shape as
me?

Is there any one else with a
personality just like mine, and
laughs like me?

Maybe we
would enjoy the
same things.

And have difficulty
with the same tasks.

I looked
everywhere.

I looked closely.

I looked carefully at
every face, every body.

I thought I
caught sight
of...

...no! It's still
just me!

There really is
only one me.

And you know it's true.

There's only one of you.

AUGH

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
