

NO ONE LIKE ME

illustrated by
Jess Jardim-Wedepohl

I sometimes wonder
if there is any one
just like me.

I wonder if there is
anyone else that looks
identical?

Is there someone who
has the same body
shape as me?

Is there any one else with a
personality just like mine, and
laughs like me?

Maybe we would
enjoy the same
things.

And have difficulty with the same tasks.

I looked everywhere.

I looked closely.

I looked carefully at every face,
every body.

I thought I caught
sight of...

...no! It's still just
me!

There really is only
one me.

And you know it's true.

There's only one of you.

AUGH

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **<https://reader.letsreadasia.org/book...>** and **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
