

I THINK

I CAN HELP!

written by
BEL RICHARDSON

illustrated by
GERHARD VAN WYK

The bird is new.

It must find a pal.

I am mad!

I can help!

I am hurt!

I can help!

I am put out.

I can help!

I must eat.

I can help!

A vast lot of pals! I must...

Can we help?

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.

Adapted from "I Think I Can Help!" by Bel Richardson and Bookbot. Licensed under CC BY-NC 4.0.

The text has been rewritten to cater to readers at varying stages of their reading proficiency, aiding in the development of their reading skills. Illustrations have been modified to comply with the specific prerequisites set by the reading levels. This adaptation has not received official approval from the original author or illustrator.

You are free to copy and redistribute the material in any medium or format, provided you adhere to the license terms stipulated under **CC BY-NC 4.0**.
