

All of Us

illustrated by
Lê Ngọc Anh Thư

It is so loud in
my house.

There are a lot of us. There is Gran and Pa, me and my cat, my aunt, my uncle, the baby and mum and dad.

There is no room
for me to have
fun in.

I want to run, and
jump, and shout.

But if I did that, I
would trip and fall
through the
house.

Some days, I cry
and cry, and I wish
it was just me and
my cat in the house.

One day, I woke up,
and it was just how I
had wished.

No Gran or Pa.

No aunt, no uncle.

Just me and my cat.

So I ran round, and
I was as loud as I
could be.

No one was there
to care.

But then, it gets dark
as storm clouds
block the sun. A
crash in the sky
made me shake.

Then all at once, they were back. Gran and Pop came in and mum and dad with the baby. My aunt and uncle came next. I am so glad it is all of us in the house.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
