

SAVE THE LAKE

illustrated by
Ariful Islam

We are fish.

We live in this lake,
and love to swim.

What is this? This should not
be here. Is there more?

There is a lot more!

This is trash. This should
not be in the lake!

We should find
who put the
trash in the
lake.

It is a boy!

'Stop! We are fish. We
share this lake with you.'

The boy is sad. He will
tell his friends not to put
trash in the lake.

He tells his friends, and his friends tell
more friends. The lake will be safe!

With help, the lake is safe to
swim in. We love this lake.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
