

# Animal Friends

illustrated by  
**Samit Shrestha**

The bird that  
crows when the  
sun comes up is  
called a rooster.

This dog keeps  
the home safe  
with a loud bark.

Some birds can  
take a note.

They will bring it to  
you on a scroll.

A bird makes a fun pet.

It can sing and talk.

What a cute nest this  
bird has made!

It is made of sticks  
and leaves.

The worm digs up the soil and makes it easier for the plants roots to grow.

A camel has a wide foot. That makes it good for riding in the sand.

Bees help plants to  
make more seeds.

And we get yummy  
honey too.
