

A SPECIAL FLOWER

illustrated by
Hyeji Park

In spring, lots of little
buds come out.

I am a white oak
flower. The oak
tree cradles me in
it's branches.

I don't look like the
other flowers.

I have two big
white leaves and
stamens that
dangle.

At night, I
sleep under
the twinkle of
the stars.

I feel they tell
me I am fine as I
am.

In the whole wide world,
there is no other flower
like me.

You can look all over
and not find my equal.

But none of them
are quite like the
male oak flower.

If you are gentle,
you can touch my
long stamens that
dangle down.

I am a very special
flower.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
