

NUTS!

illustrated by
Nguyen Thi Ngoc Bich

She has done a lot
of work all year.

An illustration of a forest scene. On the left, a tree with sparse green leaves stands on a brown ground. In the foreground, a squirrel with orange fur and a white belly is looking towards a chipmunk. The chipmunk is also orange and white, running away from the squirrel. Two large, flat, oval shapes, one orange and one dark brown, are on the ground. In the background, two small green birds are flying. The text is overlaid on the right side of the image.

She goes to grab
one of her nuts.

They are gone!

Did the bird
take it?

No.

Did the bees?

They buzz.

They get mad!

Did the fly?

The chimp?

The lizard?

None of them
took the nuts.

They fell out
of a hole!

She can fix it.

All is well.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **<https://literacycloud.org/stories/57...>** and **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
