

HE CAN SPY

illustrated by
Abdul Gugu

Kojo has a test at school this week. The class is doing a unit on reading. Kojo is doing his homework so that he will do well on the test.

The first word is 'grandad'.
This grandad has a bucket
hat and a cup of tea. He is in
a grey coat and a yellow
shirt.

The next word that Kojo can spy is 'grandma'. This grandma has bright clothes. She has a headscarf. She is wearing a string of pearls.

Now Kojo can spy the word 'hen'. The hen is in a headscarf too! Where did it get a scarf like that?

Kojo reads the word 'cat'.
That is easy for him. The
cat has a necktie on like it
is off to work. Kojo's dad
has a necktie like that.

Kojo comes across a hard word. He is frozen for a moment. He breaks the word down into parts.

The word is monkey! Kojo adds it to his word bank. The monkey has a silk vest on. It looks very smart in its vest.

Kojo feels like he is going to do well on his test. He reads every day. Reading on a regular basis is the only way to get better.

Kojo has a lot of terms in his word bank now, but he wants to see what else he can spy. What words are on his radar?

S3

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
