

THE BIG SHEEP

illustrated by
Kanak Shashi

The sheep came home
from the hill.

But there was a
new gate. Rose
was too big to
get in the gate.

One sheep says, 'Do
yoga! I do yoga and I
fit in the gate.'

So Rose did yoga.

They did yoga for
days.

If the day was
hot, they did
yoga.

But Rose was still too
big to fit in the new
gate.

One sheep says,
'Come and run! I run
and I fit in the gate.'

They ran for days.

But still, Rose did
not fit in the gate.

One sheep says, 'Come
and swim! I swim and I
can fit in the gate.'

So Rose swam...

...and swam...

and SWAM.

But Rose still
did not fit in
the gate.

Rose was sad.

There had to be
a way to get in
the gate.

Then Rose
had it.

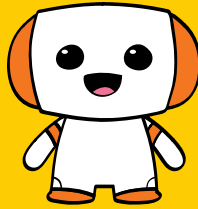

And Rose got in
the gate.

'Rose got in?' ask
the sheep.

'Yes!' says Rose,
'I am fit, and I
am well, but I
am big. I made
the gate fit me.'

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **<https://literacycloud.org/stories/18...>** and **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
