

IN MY GARDEN

illustrated by
Kishor Joshi

I see a lot of
butterflies.

I see a lot of
bees.

I see big bees in
my garden.

I can see birds.

I see big flowers.

I see small flowers.

I can see red
flowers in my
garden.

I can see white
flowers.

A bee can see the
flowers.

She can see a lot of
red flowers.

I love my
garden.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
