

FLOWER HUNT

illustrated by
Binita Buddhacharya

Beth and her mum
have a fine nest
rich with flowers of
all colours.

Beth would like
more flowers.

'Which flower do
you like the best?'
she asks the bugs.

The butterfly
likes the pink
flowers most
of all.

This bug likes the
flowers that need
a lot of sun.

The bees feed
on the flowers.

And it helps to
make seeds for
more flowers.

The red flower is
where the spider
made her web.

Beth finds a
flower that she
thinks would look
great in the nest.

Her mum is glad.

Their nest is the
best in the trees.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
