

# The Best Tube

illustrated by  
**Nguyễn Thị Ngọc Bích**

She makes art.

She has a box with  
tubes of paint.

She will start soon.

The yellow tube is new.

It does not want her to  
squeeze and squash it.

She is good to go.

She looks out at the town  
so that she can think.

She starts with  
some trees that  
droop down. The  
trees bend in the  
wind.

Look, some wisps  
of cloud in the sky.

She paints them  
like pals.

She paints a sprite  
that lives in the  
vines and the  
buds. She has a  
flower on her head.

She paints the mouth of a cave. The dark water drips down like ink.

She has a rest.

The cat has a ball  
of wool. It is so  
dark in her house.

She looks out. The sun is  
up! The light makes the  
town look warm.

She talks to yellow. She does not push it. It wants to be a star in her art.

Yellow is glad that it  
chose to be in the  
art. It made it bright  
and fun.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books) from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at [www.bookbotkids.com](http://www.bookbotkids.com).
