

The illustration features a large, vibrant red flower with multiple petals. In the center of the flower is a circular cutout containing a smiling orange face with large, dark eyes and freckles. The entire scene is populated with several cartoon bees with blue bodies and white wings, and several green worms with wavy bodies. The background is a solid red color with small, light-colored floral patterns scattered throughout.

# The Big Red Flower

This is one big flower!

She is red with white spots, and  
lives next to trees.

Her name is Raf.

These flowers have long green  
leaves and stems.

They do not like Raf.

They think she is odd.

Raf does not mind.

She seems proud to be odd!

She is glad to just live.

Those flowers do not like her smell.

They think she reeks.

Raf is proud of her smell!

Those flowers get bees and bugs.

Raf does not.

But this is fine.

Raf does not need bees and bugs.

She gets flies!

They love her smell.

Raf is a big flower.

Folks love her.

They think she is cool!

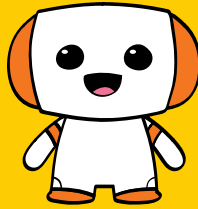

Raf loves her smell and her flies.

She loves to be odd.

She is proud to just be Raf!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books) from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at [www.bookbotkids.com](http://www.bookbotkids.com).
