FILL IT

UP!

She wants a
drink.

She must go and find
one.

The bore is dry.

The tank is dry.

The creek is dry.

The dam is dry.

The sea is full of
salt.

Will it storm?

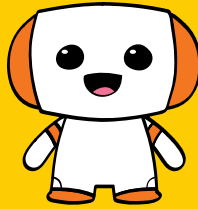

It is a big storm.

She curls up.

A colorful illustration of a landscape. In the top left, a bright orange sun with several rays is shining. The sky is a light blue. In the middle ground, there are three brown trees with green leaves on the left, and a green, rounded object with a blue base on a yellow hill on the right. A blue stream flows from the left towards the bottom center, and another blue stream flows from the right towards the bottom right. The ground is a mix of yellow and brown tones.

The storm filled it all!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
