

RED!

Illustrated by Promina Shreshtha

Red is on a walk
through town. He
is out to find his
pal.

The town has a lot of noise. It does not bring him much joy.

He gets lost in town.
It smells of smoke
and oil.

There are a lot of cars. He must watch where he steps.

Now he sees
where to go. He
walks down the
street.

A person points out a
horse in the street.

The horse has a
cart on the back. A
man is in the cart.

The noise is too much. He hopes to find his pal soon.

What is that? He knows that hat. Is it his pal?

Yes! It is.

His pal brings him
joy. He feels good
now.

They walk through town to find a good spot to eat.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
