

LOST TOY

ILLUSTRATED BY:
SUKHADA RAHALKAR

I look high and low to
find my lost toy.

I can not see
it.

It might be here.

No!

It might be there.

No!

I sob and I sigh.

It is nowhere in sight.

I will find it, if it
takes all night!

Then I see Gran with
my yo-yo in hand.

She swings it high and
swings it low.

Thanks Gran!

Can I have my toy
back?

But she will not
give it up.

She says, the
yo-yo is her
toy now.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
