

# The Dump

These kids live out of town. Their yard is full of goop and junk.

They try to clean, but  
it always seems to  
build up.

One day, a lady comes by. She has a box of things to give them.

The box is full of books!  
She sits on the ground  
and opens them up.

The kids come over. They want to learn how to read. She says that she has more books as well.

They will look out for  
when the lady comes  
next.

The lady does not  
come. They want new  
things to read.

They go to the town  
to see if they can find  
her.

It takes a while to  
snoop about. Then,  
they see her scarf tied  
to a grate.

They go in and find  
that the lady is sick.  
How can they make  
her feel good again?

They get out some books and read to her. They also make their own.

Soon the lady is well again. The books helped them all.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **[www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books)** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **[www.bookbotkids.com](http://www.bookbotkids.com)**.

**You are free to:**

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

**Under the following terms:**

Attribution — You must give appropriate credit, provide a link to **[www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books)**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
