

GIRL OF THE FOREST

illustrated by
Seat Sopheap

This is my hut.

Can you see
the grass on
the roof?

My mum and dad
go to find food.

They will pick it
from the trees.

I see a white deer.

It wants me to
come with it.

It runs off.

We chase it
into the trees.

I see a pangolin.

It eats ants from
the log.

And here is a bear.

It licks a sweet treat.

Then we see
an elephant.

She has such
a long trunk.

It is wet.

We hide in a
cave to keep dry.

When it gets dark,
I try to find my hut
in the gloom.

I am not sure
where to go.

My pals can find it.

They take me there.

I thank them and
wish them well.

We all live in the forest.

It is our home.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
