

# I LOVE MY MOM

illustrated by  
**Nivong Sengsakoun**

This is my mom.

Mom works hard  
all the time.

Mom bakes  
the best  
cakes.

I can help!

My mom got a  
bike for me.

It is pink!

Mom helps me.

I can ride!

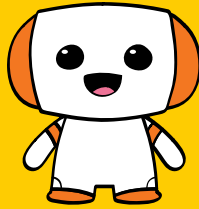

Mom reads a  
tale to me.

It is so fun!

An illustration of a mother with brown hair in a bun, wearing a red sleeveless top, tucking her daughter into bed. The daughter is wearing a pink shirt and has a blue teddy bear with a purple party hat next to her. The room is dimly lit with a purple and white checkered pattern on the wall and a window in the background.

Time for bed.

I love my Mom!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books) from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at [www.bookbotkids.com](http://www.bookbotkids.com).
