Litterbug

Di is a litterbug. Her mum gets mad. Litterbugs fill the world with junk.

The next day, there
is junk in Di's bed.

The junk drifts with
her.

Di's pals hate it. It smells bad.

They run to be rid
of the junk.

Di is left with the
rats.

Di is sad that she is a
litterbug. She wants to stop.

She runs, but the junk and bugs come for her.

Di spots a litterbug
drop a skin by a bin.
She tells them to
stop.

Di gets all of the
junk that she can
and puts it in bins.

There is less and less
junk by her. That is how
to stop it!

Her pals
are glad
she is not
a litterbug
now.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
