

MOUSE

**ILLUSTRATED BY
TAMAYA VYAS**

Gran saw the mouse first.

'Mouse! There is a mouse in the house!' she shouts.

Dad and Mum saw it too.

Mum drops the plates with a loud crash.

'Mouse! There's a Mouse in the House!' she shouts.

The cat saw the mouse but is too lazy to chase it.

'Get the Mouse in the House!' shouts the boy at the lazy cat.

Mum chases it and thinks it is under the rug. The mouse in the house is smart.

Gran tries to chase it
but her eyes are bad.

The mouse in the
house hides.

They all hide under the bed.

'Why are we scared of a mouse in the house?' says Mum.

Then the baby saw it.

'Mouse!' she shouts with
loud joy.

'Mouse in the house!' she
starts to chase the mouse.

The baby has a game
with the mouse.

The mouse runs as fast
as she can.

Oh what fun is a mouse in
the house.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
