

# NO ONE LIKE ME

illustrated by  
**Jess Jardim-Wedepohl**

There is no one  
like me.

No one looks  
just the same.

He has a tail  
like mine. But  
he is not me.

No one has ears like mine.

No one talks like me.

She can run  
and I can run.  
But she is not  
me.

We are not  
like him.

I am not find  
any one just  
like me.

Not in a hole.

Not in a nest.

I took a good look.

None of them are just  
like me.

Is it?

No, it is just me.

Yes.

There is just  
one me.

And I like me.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books) from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at [www.bookbotkids.com](http://www.bookbotkids.com).
