

Tin Man

Illustrated by:
James Woolley

This is Tim the
tin man.

He found a button.

Who has lost it?

Tim is small, but
he wants to help.

He will take the
button to the one
who lost it.

Watch out!

Tim is so small you
could step on him.

Take care.

Do not lose
that button

Tim!

Is it your button,
Mr. hound?

No! Don't lick Tim,
Mr hound!

He needs to find
the one who lost
the button.

That is a hard task!

It is too big for a
small tin man.

The wet ground
makes Tim wet too.

Ah! But here is
the one who lost
the button.

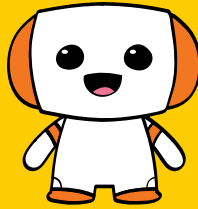

I can fix you,
Miss Doll.

I have found
your button.

Tim is a small tin man, but he can do big things.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.

Adapted from "Whose Button Is This?" by Paul Kennedy and James Woolley. Licensed under **CC BY 4.0**.

The text has been rewritten to cater to readers at varying stages of their reading proficiency, aiding in the development of their reading skills. Illustrations have been modified to comply with the specific prerequisites set by the reading levels. This adaptation has not received official approval from the original author or illustrator.
