

JUMP UP!

Illustrated by
Sindupama Chandrasena

We go to meet Vic when class is done. He has a gift for us.

Vic has a lot of cups and prizes. He is so good at sport.

It is a ball for a sport
called volleyball!

You use your hands, not
your feet.

Vic tells us how to play.

We need to hit the ball
over the net.

We need to jump
up high to hit the
ball. If it lands, we
lose.

We must try to hit the ball to a spot where the other kid will not get it.

Volleyball was first
played in America.

If you have a net
and flat ground,
you can play.

Tim thinks he will not play
well. Vic says he just
needs to give it a try.

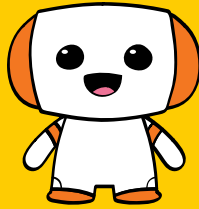

Vic will show us how to
play. He can teach us
moves.

We hit the ball up high!

We must get a feel for it
at the start of the game.

My dog wants to play
volleyball as well!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
