

In the Sky

illustrated by
Andre Ceolin

We can see
clouds in the
sky. We have
found a man up
there! He waves.

We rest in the grass
as we stare up at the
clouds. We count them
as they go by.

The men in the clouds
do a jig! She does a
jig with them.

They start to sing.
They tilt their
heads and put their
arms up.

An illustration of a scene from a story. In the upper half, four white, ghostly figures with human-like forms are floating within large, billowing white clouds against a light blue sky. They appear to be dancing or playing music. In the lower half, three children are running joyfully across a dry, orange-brown field. On the left, a girl in a blue dress with a colorful patterned skirt and a red headscarf with a pom-pom. In the middle, a girl in a red top and a patterned skirt. On the right, a boy in a striped shirt and blue pants. Three small, brown, monkey-like creatures are running alongside the children. The background shows a hazy landscape with distant hills under a clear sky.

The men in the
clouds are in a band!
They have a drum.

As he bangs the
drum, a storm
comes. Rain falls
down.

We run into the
house. It is dry in
there.

We have a bout of dancing as we dry off.

We sing for Mum
and Dad, just like
the cloud men did.

We play in a band
and do a jig.

Then we rest, just
like the cloud man
does. Time for
sleep.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
