

yum!

Illustrated By Lá Studio

These are not oak trees. We live on a mango farm. It is time to pick them.

The mango trees are tall.
We need to go up the
trees and pluck the fruit.

We do not moan
and groan while
we pick. It is fun
to work as a
team.

We get to eat
the mangoes
while we work.
Gran chops
them up for us.

Our pals come to help. We will give them some mangoes to take home.

We get the mangoes down and sort them on our rug. Then we load them in the car.

Dad takes the mangoes to town. We set up a tent and sell them.

We swap some of our
mangoes as well. We float
out on our boat to swap
them for other fruit.

Yum!

I love life on our
mango farm.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
