

# HERE AND THERE

This is a toy  
bike. My dad is  
on a big bike.

He can ride it.

What a fast bike!

There is a car next  
to the bike.

Where am I?

I am here in  
the car! I strap  
in and grab the  
wheel.

Now I am driving the  
bus! Work is being  
done on the road  
while I drive.

There I am in the digger. I drive the digger to where the land meets the sea.

I swap my digger with  
the man on the jet ski.  
I zoom on top of the  
waves.

The jet ski takes  
me to this boat.

I will take the  
boat over there.

An illustration of a ship's bridge. A man in a blue shirt and red cap is standing behind a child who is sitting at the ship's wheel. The bridge has a large green mast with a green cylindrical top and a yellow searchlight. The background shows a blue sky with white clouds and several birds flying. The sea is visible in the distance.

I got to the big ship!

I found Dad. This is  
where he works.

What a lot of  
things I used to get  
from home to my  
Dad.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books) from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at [www.bookbotkids.com](http://www.bookbotkids.com).

**Adapted from "Here and There" by Bookbot and Bookbot. Licensed under CC BY 4.0.**

The text has been rewritten to cater to readers at varying stages of their reading proficiency, aiding in the development of their reading skills. Illustrations have been modified to comply with the specific prerequisites set by the reading levels. This adaptation has not received official approval from the original author or illustrator.

You are free to copy and redistribute the material in any medium or format, provided you adhere to the license terms stipulated under **CC BY 4.0**.
