

# THE SEA EGG

illustrated by  
**Mangkonephet Sayasane**

I want a fish.

A fish wants me!

An underwater scene with a blue and green color palette. In the top left, a young boy with a surprised expression is swimming. In the bottom right, a crab is visible. The water is filled with bubbles and faint outlines of other fish. The text "Lots of fish go by." is centered in the middle of the image.

Lots of fish  
go by.

A long fish  
pulls me.

The long  
fish wants  
its egg.

I try to get  
the egg.

I get the  
egg!

I like the  
long fish.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page [www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books) from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at [www.bookbotkids.com](http://www.bookbotkids.com).
