

The Cuckoo's Call

illustrated by
Biplob Chakroborty

This is a cuckoo.

It is a big bird now.

But it has no call.

Is its call here?

No.

Is its call there?

No.

It will not
find a mate
with no call.

Life goes on by him.

The call will
not come.

It gets cold.

It gets warm.

Can he call in spring?

Yes!

Spring is the time for
a cuckoo to call.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
