

IN MY TUM

ILLUSTRATED BY
ELLA ELVIANA

It is Fun Day.

I read that there will
be an all you can
eat game. I can put
a lot in my tum.

Tim bets that he
can beat me.

He says that he
can get more in
his tum. We get a
bag to try it.

I think I can win. I can beat Tim and all the kids. I want to make sure. So I start to try it at once.

In the games we try to beat our pals. We have to walk as a team.

But I try to eat.

We are not a team,
and we fall.

We try the sack game.
We have to hop fast.
But I try to eat and I
fall.

We try to beat our pals
in the pop game. I try
to eat, and we do not
win.

Then I see Tim.

This is how it is done.

I am so fast.

I will beat all the
kids. And I will put
much more in my
tummy.

It is time.

I look at Tim.

Tim looks at me.

I want to win.

But I can not eat it.

I have no more room
in my tum now.

Tim beats me.

And what does he win?

More for his Tum!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
