

Time to Go Home

illustrated by
Ade Chintya

Time to go home, Tal!

Do not be late.

Tal can see his pals.

'Come on,
Tall!' say his
pals.

He has fun with his
pals. The calf likes
to eat. They do not
go home.

It is time to go home
so he will not be late.

The calf will not come.

He wants to eat.

No!

It is time to go home.

We can not be late,
calf!

MOOOOOOOOO!

That is the mum of the
calf.

She wants her calf
home.

An aerial, painterly view of a rural landscape. A winding river flows through the center, bordered by green fields and patches of brown earth. On the left, a small village with several houses and a red-roofed structure is visible. A few cows and a person are near the riverbank. The background shows rolling green hills under a blue sky with soft clouds.

Time to go home.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
