Lights are fun!

A spot can be lit up.

But if we had no
lights?

It would be no fun.

Light helps us get
from spot to spot.

No lights?

A big mess!

Light lets us do fun
stuff.

It is no fun if the sky
is dark.

Lights help us.

It is hard to spot
stuff with no lights.

Lights help us to
get by.

Yay for
lights!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
