

CAM CAN FLY?

Illustrated by Rijuta Ghate

It was a big day for
Cam.

'I am tired,' he sighs.

His mum puts him to bed.

Cam feels light.

He jumps up to catch
a bug.

But he starts to fly!

Cam starts to fly high.

He waves at a bird.

'This is fun,' he says.

Cam has fun on his flight.

He can see his house from here.

'Take care,' says an eagle.

Cam gets as high as planes
go!

'Good luck, Cam,' says the
plane.

Cam still wants to see
more.

Cam is next to a rocket.

'It is so bright!' he says.

Cam can see the whole world from here.

Cam is so high he can
swim in the stars.

But the stars start to
move and shake!

'Will I fall?' asks Cam.

Mum shakes Cam.

'Time to get up!' she
says.

'I was up, in the sky!'
Cam says.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page www.bookbotkids.com/free-books from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at www.bookbotkids.com.
