Frontier Town

Frontier Town is a place where you can learn about life in the past. It looks like an old village with wooden houses, a blacksmith shop, and a general store. People dress up in old-fashioned clothes and show how things were made by hand. You can watch them make butter, candles, and toys. Visitors can try riding horses or go on a wagon ride. At Frontier Town, you get to see what it was like for families who lived long ago.
