Laws and Voting

Laws are rules that help keep people safe and happy. For example, there are laws to stop cars at red lights and to help everyone be kind to one another. Sometimes, people help decide on new laws by voting. Voting means choosing what you think is best. In some places, adults can vote to choose leaders or decide on important rules. This helps everyone have a say in how things are run.

What is a law, and why do we have them?
