My Neighborhood

My neighborhood is a nice place to live. There are houses, a park, and a big playground. I like to ride my bike on the sidewalk and wave to my friends. Sometimes, we see dogs playing in the grass. My family goes to the bakery to buy bread. I feel happy when I am in my neighborhood.

1. Where does the family go to buy bread?

2. What do the children see playing in the grass?

3. What does the writer like to do on the sidewalk?
