Date: _____

RULES AND CONSEQUENCES

Rules help us know what to do at school and at home. For example, we raise our hand to talk and we clean up our toys after playing. When we follow the rules, everyone feels happy and safe. If we do not follow the rules, we might have to sit out or lose playtime. Rules help us make good choices every day.

Why do we have rules?

What might happen if we do not follow the rules?

What is one rule you follow at school or at home?
