

Name: _____

Date: _____

Time and money

Anna wakes up at seven o'clock in the morning. She looks at the clock and gets ready for school. After school, Anna goes to the store with her mom.

Anna gives two coins to buy a small toy. She is happy to learn how to use money and tell the time.

What time does Anna wake up in the morning?

What does Anna do after she goes to school?

How many coins does Anna use to buy a toy?
